ETHIOPIA MEDIA WOMEN ASSOCIATION (EMWA)
Empowering women in and through the media

WHO WE ARE

The Ethiopian Media Women Association (EMWA) is a non-partisan, non-profit civil society organization established in 1999 by visionary female journalists and media professionals committed to advancing gender equity and ethical journalism. Re-registered in 2019, EMWA now coordinates a vibrant network of over 250 media practitioners across nine regions and two city administrations. The association offers three membership tiers—Full, Associate, and Honorary—designed to foster inclusive participation and recognize diverse contributions within the media landscape.

OUR VISION

EMWA envisions seeing a vibrant media profession and media sector that is secured convenient for women media professionals.

OUR MISSION

Empowering women in media through continuous capacity-building, advocate gender equality and equity in media, and driving positive change to improve and advance ethical and secured media sector, contributing to the development of the profession.

OUR OBJECTIVES

- Build the capacity of women media professionals
- Advance members' rights
- Enhance women's leadership and ownership in the media industry
- Advocate for fair and balanced representation of women in media
- Create networking opportunities among female journalists

CORE STRATEGIC ISSUES

Capacity building: enhancing the capacity of members and strengthen the institutional capacity of the association

Research and advocacy: provide evidence-based advocacy to deliver tailored support.

Resource mobilization: mobilize resource to have a sustainable income to realize its mission.

Cooperation and strategic partnership: Strategically leverage partnerships to enhance impact and achieve objectives.

KEY ACTIVITIES AND ACHIEVEMENTS

- Build the capacity of members
- Mentor young media, journalism and communication graduates
- Produce Women Experts' Directory
- Advocate for gender equality for safe, secure and ethical media
- Forge collaboration and partnership with stakeholders
